

Stress-Free Professional Painting Checklist

2 - 4 Weeks Prior To Painting Start Date

- Do I have a particular painting company in mind?
- Did I locate previous painting work they have done in the past in which I like?
- Have I looked over several customer testimonials, particularly related to the painting work I need done?
- Have I checked to see if they are properly insured?
- Do I have the proper home insurance myself in case there is an accident which involves one of the house painters or painting work?
- Do they offer any warranties on their painting projects?
- Are the house painters known for being reliable and on time?
- Do they have a reputation of producing quality work in a timely manner?
- Have I checked the painting company's ratings on local rating sources — Google My Business, Yelp, etc.
- Did I reach out my phone/email/via website for a quote?
- Have I received a final quote on my painting project?
If so, insert information here: \$_____
- Did I hear back from the painting company to confirm work?
- Have we picked and scheduled a date for the interior painting or exterior painting work?
- Did I review, sign and properly understand the painting contract?
- Do I need a professional paint colour consultation prior to starting?
- Does this painting company even provide this service?
- Have I made sure to note down both: the date of the colour consultation and the date(s) of the painting work?
